

## Standard Colors

Brass or Iron eyelets can be galvanized in 12 standard colors from this color card. Other materials and other galvanized colors are possible on request.

Industrial eyelets are available in three colors: Brass - Nickel - Black. Industrial eyelets are also available in two other raw materials: Stainless Steel and Iron Zinc plated.

Curtain eyelets 25mm / 30mm / 40mm / 50mm / 66mm are available in all 12 standard colors. On demand other colors, designs and treatments are possible.

**Original colors may seem different on print than in reality!**
